Done Their "Do." FROM A BIG SANDIAN'S POINT OF VIEW

WASHINGTON, D.C., MAY 1st. The event which over-shadowed all others to-day in point of Interest to visitors and the people of Washington in general was the climax of the much-talked-about march of unemployed laboring men, which began at Massillon, Ohio, on Easter Sunday. The program fixed May 1st as the day for the arrival of the army at Washa little girl.

To ye editor, long congratulations, and may your pathway through life be replete with purest talked of on the streets, in the holization of the "army" had been talked of on the streets, in the holization of the streets. tels, and by everybody, until much interest, or rather, curiosity, was awakened; and as a result a large crowd was at the root by
